1. Request for Proposal

Sealed proposals are invited from eligible, reputed, qualified Service Provider(s) for Capacity Building, Training, and Awareness on the Odisha State Data Policy(OSDP v2.0). This invitation to bid is open to all bidders meeting the minimum eligibility criteria as mentioned in this RFP Document.

2. Structure of the RFP

This RFP document for Service Provider(s) for Capacity Building, Training, and Awareness on the Odisha State Data Policy(OSDP v2.0) comprises of the following.

a) Instructions on the Bid process for the purpose of responding to this RFP. This broadly covers:

   i) General instructions for bidding process

   ii) Bid evaluation process including the parameters for Pre-qualification, Technical Evaluation and Commercial Evaluation for determining bidder's suitability as the Service Provider

   iii) Commercial bid and other formats

b) Terms of Reference of the project. The contents of the document broadly cover the following areas:

   i) About the project and its objectives

   ii) Scope of work

   iii) Requirements

   iv) Project Schedule

   v) Service levels for the implementation partner

   vi) Timeline of Project implementation

The bidders are expected to respond to the requirements as completely and in as much relevant detail as possible and focus on demonstrating bidder's suitability to become the Service Provider of OCAC for this project.

The bidders are expected to examine all instructions, forms, terms, project requirements and other information in the RFP documents. Failure to furnish all information required as mentioned in the RFP documents or submission of a proposal not substantially responsive to the RFP documents in every respect will be at the bidder's risk and may result in rejection of the proposal.

3. Summary Information

3.1 About the Engagement

OCAC, the Technical Directorate of the E&IT Department, Government of Odisha, on behalf of the Department of Health & Family Welfare, Government of Odisha, invites proposals ("Tenders") in response to this Request for Proposal ("RFP") from eligible Service Provider firms ("Bidders") for undertaking Capacity Building, Training, and Awareness on the Odisha State Data Policy (OSDP v2.0), as detailed in the Terms of Reference of this RFP.

Proposals must be submitted within the time, date, and venue specified in the Fact Sheet. Any proposal received after the prescribed deadline will be rejected and will not be considered under this procurement process.

OCAC will award the Contract to the successful Bidder whose proposal is evaluated as the best value based on the prescribed Technical and Financial evaluation criteria and is approved by the Tender Accepting Authority. OCAC also reserves the right to select more than one firm to undertake the required scope of work.

3.2 Background & Objective

OCAC, leads and supports key digital governance initiatives across the State. As Odisha advances its digital transformation agenda, strengthening data governance and improving technology-enabled service delivery have become central priorities. Building the capacities of government officials and frontline functionaries is critical to achieving these goals.

Odisha State Data Policy 2.0 aims to establish standardized data governance practices, safeguard privacy, enable interoperability, and enhance transparency and efficiency in the delivery of welfare schemes.

To ensure effective implementation and sustained utilization of these initiatives, OCAC intends to engage a competent agency to design and deliver structured training, capacity-building, and awareness programmes at the Directorate, District, Block, and Gram Panchayat levels.

3.2.1 Context

3.2.1.1 Odisha State Data Policy (OSDP) 2.0

Government departments generate and manage significant volumes of citizen and scheme-related data. The Odisha State Data Policy 2.0 provides a structured framework to ensure that such data is collected, stored, shared, and used in a secure, ethical, and standardized manner.

The Policy lays down guidelines covering:

- Data collection and storage
- Data quality and standardization

- Data sharing and interoperability
- Privacy protection and ethical use
- Access control and approvals
- Risk mitigation
- Retention and disposal

It also defines roles and responsibilities of officials at different administrative levels and prescribes processes to ensure accountability and compliance. Effective implementation requires that officers and data handlers understand data governance principles, follow prescribed procedures, and integrate them into routine operations.

Capacity building on OSDP is therefore essential to promote responsible data management, improve data quality, and strengthen service delivery outcomes across departments.

3.3 Need for the Assignment

Successful policy adoption and platform utilization depend on structured, large-scale training and awareness efforts covering:

- Directorate level senior officials
- District administrators
- Block-level officers and data handlers
- Gram Panchayat-level frontline staff
- Citizens accessing welfare schemes

This RFP seeks to establish a standardized, scalable training framework to ensure consistent messaging, measurable improvements in knowledge and system usage, and sustainable long-term adoption across Odisha.

3.4 Purpose of the RFP

Through this RFP, OCAC aims to select a qualified agency to:

a. Design and deliver a comprehensive Statewide Training Programme on the Odisha State Data Policy 2.0, including practical exercises and implementation support.
b. Develop bilingual training modules, SOPs, reference materials, and digital learning resources.
c. Establish a monitoring, MIS, and reporting framework to track training coverage, effectiveness, and outcomes.
d. Provide end-to-end support to ensure quality delivery, operational readiness, and field-level adoption.

3.5 Expected Outcomes

The assignment is expected to contribute to:

- Strengthened data governance practices across departments
- Improved understanding of data privacy, quality, and security
- Adoption of standardized processes and documentation
- Enhanced utilization of OSDP for scheme delivery and monitoring
- Greater citizen awareness and participation in welfare programmes
- A more transparent, efficient, and data-driven governance framework across the State.

4. Instructions to the Bidders

4.1 General

a) While every effort has been made to provide comprehensive and accurate background information and requirements and specifications, Bidders must form their own conclusions about the solution needed to meet the requirements. Bidders and recipients of this RFP may consult their own legal advisers regarding this RFP.

b) All information supplied by Bidders may be treated as contractually binding on the Bidders, on successful award of the assignment by OCAC based on this RFP.

c) No commitment of any kind, contractual or otherwise shall exist unless and until a formal written contract has been executed by or on behalf of the OCAC. Any notification of preferred bidder status by OCAC shall not give rise to any enforceable rights by the Bidder. OCAC may cancel this public procurement at any time prior to a formal written contract being executed by or on behalf of the OCAC.

d) This RFP supersedes and replaces any previous public documentation & communications, and Bidders should place no reliance on such communications.

4.2 Compliant Proposals/ Completeness of Response

a) Bidders are advised to study all instructions, forms, terms, requirements, and other information in the RFP documents carefully. Submission of the bid shall be deemed to have been done after careful study and examination of the RFP document with full understanding of its implications.

b) Failure to comply with the requirements set out in this RFP may render the Proposal noncompliant and the Proposal may be rejected. Bidders must:

   i. Include all documentation specified in this RFP.

   ii. Follow the format of this RFP and respond to each element in the order as set out in this RFP

   iii. Comply with all requirements as set out within this RFP.

4.3 Code of integrity

   ii. Any omission, or misrepresentation that may mislead or attempt to mislead so that financial or other benefit may be obtained or an obligation avoided.

iii. Any collusion, bid rigging or anticompetitive behaviour that may impair the transparency, fairness and the progress of the procurement process.

iv. Improper use of information provided by the procuring entity to the bidder with an intent to gain unfair advantage in the procurement process or for personal gain.

v. Any financial or business transactions between the bidder and any official of the procuring entity related to tender or execution process of contract; which can affect the decision of the procuring entity directly or indirectly.

vi. Any coercion or any threat to impair or harm, directly or indirectly, any party or its property to influence the procurement process.

vii. Obstruction of any investigation or auditing of a procurement process.

viii. making false declaration or providing false information for participation in a tender process or to secure a contract;

b. Disclosure of conflict of interest.

c. Disclosure by the bidder of any previous transgressions made in respect of the provisions of sub-clause (a) with any entity in any country during the last three years or of being debarred by any other procuring entity.

In case of any reported violations, the procuring entity, after giving a reasonable opportunity of being heard, comes to the conclusion that a bidder or prospective bidder, as the case may be, has contravened the code of integrity, may take appropriate measures.

4.4 Pre-Bid Meeting & Clarifications

4.4.1 Pre-bid Conference

d) The bids submitted in hard copy or by post/e-mail etc. shall not be considered and no correspondence will be entertained on this matter.

e) OCAC reserves the right to modify and amend any of the above-stipulated condition/criterion depending upon project priorities vis-à-vis urgent commitments.

4.5.5 Proposal Preparation Costs

The bidder shall be responsible for all costs incurred in connection with participation in the RFP process, including, but not limited to, costs incurred in conduct of informative and other diligence activities, participation in meetings or discussions or presentations, preparation of Proposal, in providing any additional information required by OCAC to facilitate the evaluation process, and in negotiating a definitive contract or all such activities related to the bid process.

OCAC will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.

4.5.6 Language

The Proposal should be filled by the Bidder in English language only. If any supporting documents submitted are in any language other than English, translation of the same in English language is to be duly attested by Bidders. For purposes of interpretation of the Proposal, English translation shall govern.

4.5.7 Acceptance and Rejection of Bids

OCAC reserves the right to reject in full or part, any or all bids without assigning any reason thereof. OCAC reserves the right to assess the Bidder's capability and capacity. The decision of OCAC shall be final and binding. Bid should be free of overwriting. All measures, correction or addition must be clearly written both in words and figures and attested. Offers not submitted in prescribed manner or submitted after due date and time are liable to rejection.

4.6 Evaluation Process

a. OCAC will constitute a Proposal Evaluation Committee to evaluate the responses of the bidders

b. The Proposal Evaluation Committee constituted by OCAC shall evaluate the responses to the RFP and all supporting documents / documentary evidence. Inability to submit requisite supporting documents / documentary evidence, may lead to rejection of the bid.

c. The decision of the Proposal Evaluation Committee in the evaluation of responses to the RFP shall be final. No correspondence will be entertained outside the process of negotiation/ discussion with the Committee.

d. The Proposal Evaluation Committee may ask for meetings with the Bidders to seek clarifications on their proposals, if required.

e. Each of the responses shall be evaluated as per the criteria and requirements specified in this RFP.

4.6.1 Deviations

a. No technical deviation is allowed.
b. The Bidder may provide deviation to the contents of the RFP document as per prescribed format.
c. The proposal evaluation committee would evaluate and classify them as “material deviation” or “non material deviation”. In case of material deviation, the committee may decide to “monetize” the value of the deviations, which will be added to the price bid submitted by the Bidder OR declare the bid as non-responsive.
d. The Bidders would be informed in writing on the committee’s decision on the deviation, prior to the announcement of technical scores. The Bidders would not be allowed to withdraw the deviations at this stage. The Bidder would not be allowed to withdraw the deviations submitted without the prior consent of the Purchaser.
e. OCAC have the right to accept or reject any deviation(s) furnished by the bidder. The decision of OCAC in such case is final.

4.6.2 Tender Evaluation

a. Initial Bid scrutiny will be held, and incomplete details as given below will be treated as nonresponsive if Proposals:
    - are not submitted as specified in the RFP document
    - received without the Letter of Authorization
    - are found with suppression of details
    - with incomplete information, subjective, conditional offers and partial offers submitted
    - submitted without the documents requested in the checklist
    - with lesser validity period
b. All responsive Bids will be considered for further processing as below:
   OCAC will prepare a list of responsive bidders, who comply with all the Terms and Conditions of the Tender. All eligible bids will be considered for further evaluation by a committee according to the Evaluation process defined in this RFP document. The decision of the Committee will be final in this regard.

5. Criteria for Evaluation

Tenders for this contract will be assessed in accordance with **Quality and Cost-based Selection (QCBS) system**. All bids will primarily be evaluated based on Prequalification Criteria. The Proposal Evaluation Committee will carry out a detailed evaluation of the Proposals, only those who qualify all Prequalification criteria, in order to determine whether the technical aspects are in accordance with the requirements set forth in the RFP Documents. In order to reach such a determination, the Proposal Evaluation Committee will examine and compare the technical aspect of the Proposals based on information provided by the bidder, taking into account the following factors:

a. Overall completeness and compliance with the requirement

b. Proposed solution, work-plan and methodology to demonstrate that the bidder will achieve the performance standards within the time frame described in RFP documents

c. Any other relevant factors, if any, listed in RFP document or the OCAC deems necessary or prudent to take into consideration

In order to facilitate the technical proposal evaluation, the technical criteria laid down along with the assigned weights have been presented in subsequent section. The marking scheme presented here is an indication of the relative importance of the evaluation criteria. Bidders securing a more than 70% marks in the technical evaluation will only be considered for further financial bid evaluation. Bids of Tenders which don't secure the minimum specified technical score will be considered technically non-responsive and hence debarred from being considered for financial evaluation.

a) All the bidders who secure a Technical Score of more than 70% will be declared as technically qualified.
b) The bidder with highest technical bid (H1) will be awarded 100% score.
c) Technical Scores for other than H1 bidders will be evaluated using the following formula:
d) Technical Score of a Bidder = {(Technical Bid score of the Bidder/ Technical Bid Score of H1) X 100} % (Adjusted to two decimal places)
e) The commercial bids of only the technically qualified bidders will be opened for further processing.

5.3 Evaluation of Financial Bid

a) The Financial Bids of the technically qualified bidders will be opened on the prescribed date in the presence of bidders' representatives
b) The bidder with lowest financial bid (L1) will be awarded 100% score.
c) Financial Scores for other than L1 bidders will be evaluated using the following formula:
Financial Score of a Bidder = {(Financial Bid of L1/Financial Bid of the Bidder) X 100} % (Adjusted to two decimal places)
d) Only fixed price financial bids indicating total prices for all the deliverables and services specified in this bid document will be considered.
e) The bid price will be inclusive of all taxes and levies and shall be in Indian Rupees.
f) Errors & Rectification: Arithmetical errors will be rectified on the following basis: "If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If there is a discrepancy between words and figures, the amount in words will prevail".

5.4 Combined Evaluation of Technical & Financial Bid

a) The technical and financial scores secured by each bidder will be added using weightage of **70%** (Technical) and **30%** (Financial) respectively to compute a Composite Bid Score.
Bn = 0.70 * Tn + 0.30* Fn
Where

Bn = overall score of bidders

Tn = Technical score of the bidder (out of maximum of 100 marks)

Fn = Normalized financial score of the bidder

b) The bidder securing the highest Composite Bid Score will be adjudicated as the Best Value Bidder for award of the Project.

Composite score of the Bidders for the bid shall be worked out as under:

Bidder	Technical Score	Financial Score	Weighted Technical Score (70% of B)	Weighted Financial Score (30% of C)	Composite Score (F=D+E)
A	B	C	D	E	F

5.5 Special Conditions for Evaluation

The successful bidder shall be the agency securing the highest composite score in column 'F' above. However, in the event of two or more bidders securing exactly the same composite score, then Tendering Authority reserves the right to:

a) Declare the bidder whose technical score is highest among the bidders who have secured exactly the same composite score as successful bidder

b) OR adopt any other method as decided by Tendering Authority.

6. Appointment of System Integrator or Service Provider

6.1 Award Criteria

OCAC will award the Contract to the successful bidder whose proposal has been determined to be substantially responsive and has been determined as the most responsive bids as per the process outlined above.

6.2 Right to Accept Any Proposal and To Reject Any or All Proposal(s)

OCAC reserves the right to accept or reject any proposal, and to annul the tendering process / Public procurement process and reject all proposals at any time prior to award of contract, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for such action.

6.3 Purchaser's Procurement Rights

Without incurring any liability, whatsoever to the affected bidder or bidders, the Purchaser reserves the right to:

a. Amend, modify, or cancel this tender and to reject any or all proposals without assigning any reason.
b. Change any of the scheduled dates stated in this tender.
c. Reject proposals that fail to meet the tender requirements.
d. Remove any of the item at the time of placement of order.
e. Increase or decrease no. of resources supplied under this project.
f. Should the Purchaser be unsuccessful in negotiating a contract with the selected bidder, the Purchaser will begin contract negotiations with the next best value bidder in order to serve the best interest.
g. Make typographical correction or correct computational errors to proposals
h. Request bidders to clarify their proposal.

6.4 Notification of Award

Prior to the expiry of the validity period, OCAC will notify the successful bidder in writing or by fax or email, that its proposal has been accepted. In case the tendering process / public procurement process has not been completed within the stipulated period, OCAC, may like to request the bidders to extend the validity period of the bid.

The notification of award will constitute the formation of the contract. Upon the successful bidder's furnishing of Performance Bank Guarantee, OCAC will notify each unsuccessful bidder.

6.5 Contract Finalization and Award

The OCAC shall reserve the right to negotiate with the bidder(s) whose proposal has been ranked best value bid based on Technical and Commercial Evaluation to the proposed Project. On this basis the contract agreement would be finalized for award & signing.

6.6 Performance Guarantee

The OCAC will require the selected bidder to provide a Performance Bank Guarantee, within 30 days from the Notification of award or issue of work order, for a value equivalent to 3% of the total cost of ownership i.e., total order value excluding taxes. The Performance Guarantee should be valid for a period of 3 6 months. The Performance Guarantee shall be kept valid till completion of the project and Warranty period. The selected bidder shall be responsible for extending the validity date and claim period of the Performance Guarantee as and when it is due on account of non-completion of the project and Warranty period. In case the selected bidder fails to submit performance guarantee within the time stipulated, the OCAC at its discretion may cancel the order placed on the selected bidder after giving prior written notice to rectify the same. OCAC shall invoke the performance guarantee in case the selected Service Provider fails to discharge their contractual obligations during the period or OCAC incurs any damages due to Service Provider's negligence in carrying out the project implementation as per the agreed terms & conditions.

6.7 Signing of Contract

After the OCAC notifies the successful bidder that its proposal has been accepted, OCAC shall enter into a contract with the successful bidder taking into account the relevant clauses of RFP, pre-bid clarifications, Corrigenda, the proposal of the bidder in addition to other agreed clauses.

6.8 Failure to Agree with the Terms and Conditions of the RFP

Failure of the successful bidder to agree with the Terms & Conditions of the RFP and the Proposal submitted by the successful bidder shall constitute sufficient grounds for the annulment of the award, in which event OCAC may award the contract to the next best value bidder or call for new proposals from the interested bidders. In such a case, the OCAC shall invoke the PBG of the most responsive bidder.

7. Contractual Clauses

8. Terms of Reference

8.1 Scope of Work for Training & Capacity Building on Odisha State Data Policy (OSDP) 2.0

The selected Agency shall be responsible for the end-to-end design, development, and execution of a comprehensive Statewide capacity-building programme on the Odisha State Data Policy (OSDP) 2.0. The programme shall equip Government officials at the State, District, Block, and Gram Panchayat levels with the knowledge, skills, and tools required to implement the Data Policy in routine administrative and operational work. In addition, the Agency shall implement structured citizen awareness interventions on responsible data practices, digital privacy, and ethical handling of personal information.

The assignment shall ensure a uniform understanding and adoption of data governance principles, privacy safeguards, standardized documentation practices, and secure data handling procedures across all tiers of administration.

Target Participants

Administrative Level	Target Participants	Approx. No. of Participants (Indicative)	Training Mode
Directorate Level	Governance Officials at Directorates	3000	Physical
District Level	District Collectors, Additional Collectors, District Programme Officers (DPOs), District Data Coordinators, IT Officers	2400	Physical
Block Level	Block Development Officers (BDOs), Block IT Staff, Extension Officers, Welfare Supervisors	9420	Physical
Gram Panchayat Level	Panchayat Executive Officers, Welfare Assistants, Frontline Data Operators	26800	Physical / Cluster-based
Awareness Campaign Activities **(Cost discovery item)**	Citizens including SHG Members, Youth Groups, Students, Community Representatives and Local Stakeholders		Community Awareness Sessions

Note

The above numbers represent indicative estimates derived from the proposed batch structure of the training and awareness programmes. The actual number of participants may vary based on departmental nominations, administrative requirements, and directions issued by OCAC from time to time.

8.1.1 Detailed Objectives of the Assignment

The objectives of the Data Policy Capacity Building Programme are to:

- Strengthen institutional understanding of the State Data Policy and its operational requirements;
- Build the capacities of Government officials across administrative levels to manage data responsibly, securely, and systematically;

- Promote standardized processes for data collection, validation, documentation, storage, sharing, and disposal;
- Enhance citizen awareness on digital privacy, safe data practices, and rights related to protection of personal data; and
- Foster a culture of data-driven, transparent, and accountable governance aligned with the Data Policy.

8.1.2 Development of Training Material

The Agency shall develop a complete suite of bilingual (Odia and English) training material that explains the Data Policy in a clear, practical, and implementable manner. The material shall include trainer handbooks, participant manuals, presentation decks, SOP-based workflow documents, case studies, multimedia learning aids, and field-ready reference guides.

All materials shall be developed using non-personal or synthetic datasets and shall reflect role-specific responsibilities, administrative workflows, and recommended compliance practices under the Data Policy. The full content package shall be submitted to OCAC for review and approval before training rollout. A digital version of all approved training materials shall also be uploaded to the designated platform, as directed by OCAC.

8.1.3 Training of Government Officials

The Agency shall implement a structured multi-tier training programme covering Government officials responsible for data handling and data governance at the Directorate, District, Block, and Gram Panchayat levels. Trainings shall be delivered as per an OCAC-approved plan, ensuring uniformity in methodology, content delivery, and learning outcomes across all locations.

- **Directorate Level:** The Agency shall conduct orientation and capacity-building programmes for officials of Directorates.
- **District Level:** Training shall focus on operationalizing the Data Policy within district offices, including uniform data classification, quality assurance practices, secure record maintenance, incident reporting, and consistent use of approved templates and formats.
- **Block Level:** Training shall emphasize practical execution, including data entry, validation, rectification of errors, record maintenance, register management, and frontline compliance measures. Officials handling beneficiary-level and scheme-level datasets shall be trained to follow standardized procedures aligned with the Policy.
- **Gram Panchayat Level:** Training programmes shall be conducted at the Gram Panchayat level to build awareness on grassroots-level data practices, including proper documentation, maintenance of physical registers, responsible handling of sensitive data, privacy-conscious interaction with citizens, and adherence to simplified Standard Operating Procedures (SOPs) suitable for GP offices. Wherever required for operational convenience, such trainings may also be conducted in cluster mode by grouping nearby Gram Panchayats.

Each training programme shall include demonstrations, practical exercises, case-based learning, assessments, and feedback collection, to ensure measurable improvement in knowledge and readiness.

8.1.4 Awareness Programme for Citizens

In parallel with official trainings, the Agency shall implement a Statewide citizen awareness programme to enhance public understanding of digital privacy, responsible data sharing, and safe interaction with digital governance platforms. Outreach shall be extensive, with special focus on rural and tribal areas and groups including SHG members, women, students, elderly beneficiaries, and marginalized communities.

The Agency shall conduct field-level awareness activities at Block/ULB and Gram Panchayat levels, including community meetings, sensitization events, demonstration sessions, and interactions with SHG federations and youth collectives. These activities shall cover citizens' rights on personal data protection, safe data sharing practices, and the importance of verifying consent when sharing information with any digital or administrative system.

The Agency shall also distribute IEC materials including posters / leaflets / visual aids during these sessions.

NB: The Selected Agency shall ensure that all awareness activities, data collection processes, citizen interactions, and documentation carried out under this assignment strictly comply with the provisions of the Digital Personal Data Protection (DPDP) Act, 2023, and any subsequent rules or guidelines issued by the Government of India or Government of Odisha. The Agency shall maintain strict confidentiality and ensure that no personal or sensitive data of participants or citizens is collected, stored, processed, or shared without proper authorization and safeguards as prescribed under applicable data protection and privacy regulations.

8.1.5 Monitoring, Reporting & Evaluation

The Agency shall establish a robust monitoring, reporting, and evaluation system to ensure transparency, verifiability, and accountability of all programme activities. The Selected Agency shall design and develop the MIS platform required for monitoring and reporting under the project. OCAC shall provide the necessary IT infrastructure for hosting of the application at the Odisha State Data Centre (OSDC). The Agency shall ensure that the application is compatible with the infrastructure standards and security guidelines prescribed by OCAC and the Government of Odisha.

The monitoring framework shall include:

- Central programme oversight through a PMU structure;
- District-level coordination to supervise trainings and field activities;
- Dedicated field monitors to validate GP and Block-level activities;

- Submission of periodical progress reports;
- Feedback report to measure learning gains
- Evaluation of awareness levels, adoption indicators, and compliance readiness.

OCAC may conduct random verifications, field visits, or independent reviews as required.

8.1.6 Training Structure & Duration (Full Multi-Tier Model)

Training shall be delivered through a structured five-tier cascading training framework to enable uniform understanding and adoption across the administration.

8.1.6.1 Tier 1 – Directorate Level

- Duration: One Day (7-8 Hours)
- Mode: Physical
- Participants: Below the rank of Asst. Director

Session Focus:

- Strategic importance of data governance in public administration
- Institutional accountability and leadership responsibilities under OSDP
- Risk management, compliance, and privacy safeguards

- Case illustrations of policy-level risks and mitigation approaches

This session shall be delivered in an executive briefing format, supported by concise presentation material and a summary note of key deliberations.

8.1.6.2 Tier 2 – District-Level Training Programme

- Duration: 1 Day (7-8 Hours)
- Mode: Physical
- Participants: District-level Data Managers, MIS staff, and supervisory officials

Training Focus:

- Core requirements and operational aspects of the Data Policy
- Classification and organization of district-level datasets
- Maintenance of structured departmental registers

- Error reduction and validation techniques
- Data privacy compliance and secure record management
- Procedures for processing data access and sharing requests
- Use of standardized documentation templates and checklists
- Incident reporting mechanisms for data breaches

8.1.6.3 Tier 3 – Block-Level Training Programme

- Duration: 1 Day (7-8 Hours)
- Mode: Physical
- Participants: MIS/Data Operators, Supervisors, and Data Entry Operators

Training Focus:

- Handling and maintenance of beneficiary-level datasets
- Ensuring accuracy, completeness, and timeliness of data
- Data entry standards and quality assurance techniques
- Practical guidelines and compliance measures for daily operations
- Maintenance of data registers in approved formats
- Identification and correction of discrepancies
- Secure handling of sensitive and confidential information
- Generation of reports in prescribed formats

8.1.6.4 Tier 4 – Gram Panchayat-Level Training Programme

- Duration: 1/2 Day (3-4 hors)
- Mode: Physical
- Participants: Panchayat Executive Officers (PEOs), Welfare Assistants, Data Handlers, and frontline functionaries

Training Focus:

- Simple and practical explanation of OSDP provisions
- Daily checklist for compliant data management
- Privacy safeguards specific to GP-level records
- Handling Aadhaar-linked and other sensitive data
- Verification of beneficiary records
- GP-level data flow and role-based responsibilities

- Daily documentation and safe storage practices
- Maintenance of physical registers
- Case studies based on Gram Panchayat-level scenarios

8.1.7 Detailed Training Module Development

The Selected Agency shall develop comprehensive bilingual (Odia and English) training modules in the form of Participant Handouts and PowerPoint Presentations to support the delivery of the training programmes under the project.

The training materials shall be designed in a simple, structured, and user-friendly format suitable for officials at different administrative levels and shall include relevant illustrations, infographics, examples, and case references to enhance understanding. The printed participant handout shall conform to the following specifications:
